About Us

At Cubitt Education, we are dedicated to transforming the way businesses communicate in the global market. Specialising in ESL (English as a Second Language) training for corporate clients, our mission is to empower your staff with the language skills necessary for success in today's interconnected world.

With years of experience in language education and a commitment to excellence, we offer tailored courses designed to meet the unique needs of your business. Our expert instructors are not only certified but also passionate about helping learners achieve fluency and confidence in English.

Our comprehensive training programmes include the prestigious Cambridge B2 First course, ensuring your employees are well-prepared for their exams and equipped with the skills to excel in their roles. We provide ongoing support, including personalised 1:1 sessions and assistance with exam bookings at Cambridge centres worldwide.

At Cubitt Education, we believe that effective communication is the cornerstone of successful business operations. Let us help your team unlock their full potential and drive your business forward with the power of language.

At Cubitt Education, our team of dedicated professionals brings a wealth of knowledge and experience to the table, ensuring the highest quality of ESL training for your staff. Here's what sets us apart:

Highly Qualified Instructors: Our educators hold degrees in English, teaching qualifications, and master's level degrees, providing a robust foundation in both language and pedagogy.

Extensive Teaching Experience: With over 15 years of teaching experience, our instructors have honed their skills in various educational settings, from classrooms to corporate environments.

Cambridge Certification: We proudly offer Cambridge B2 First courses, a globally recognised qualification that certifies proficiency in English. Our partnership with Cambridge ensures that your staff receive the best preparation and support to excel in their exams.

Proven Track Record: Over the years, we have successfully helped numerous corporate clients enhance their employees' language skills, leading to improved communication, productivity, and global business interactions.

Tailored Training Programmes: Understanding that each business is unique, we customise our training programmes to align with your specific goals and requirements.

With Cubitt Education, you can trust that your staff are in capable hands, guided by experienced professionals committed to their success and your business's growth.

Course Overview:
